Amedeo Bisso

3rd Eng. Officer/WMS Job Performer

I am an experienced multi trade Engineer Officer with 3 years experience on off-shore vessel (DP2-3).

I have worked with hydraulic, high voltage electrics, fibre optics on system integral to a vessel. Specialized of Main Engine maintenance and auxiliary machinery.

Also A-Frame/Scissor Frame/AHC Winch Operator, as well as Carousel/Tensioner/Pickup Arm/Capstan (operation and maintenance).

I'm also working as Job Performer for ADNOC in the HVDC Lightning Project.

I'm attending Maritime Business degree (University of Genova).
